Steve encourages and challenges handlers to step out of their comfort zone to find clearer and faster handling for their dogs.**

**In order to focus on handling and improving handler execution, all dogs must be proficient on all equipment; no remedial equipment training will be covered.**

### **About Steve Schwarz:**

**Steve Schwarz has been training and competing in agility and flyball since 1997. He focuses on helping handlers improve their communication with their dogs on course in a positive and light hearted manner. Steve brings an analytical approach from his engineering background to the study of agility. He likes to ask "why?" and encourages students to critically analyze training trends. In order to stay knowledgeable about current agility training techniques, Steve competes in AKC, USDAA, and CPE venues and has competed in NADAC and UKC. Steve trains regularly with top agility handlers and attends several agility seminars each year.
