

Dogs Knead it Too

Canine Massage Seminar

Saturday, March 3rd from 9am-12pm
at For Your K9

1975 Cornell Ave. Melrose Park, IL 60160

Touch between you and your dog is a phenomenally wonderful way to communicate and bond. While we agree that petting your dog is a wonderful expression of love and that touch feels good, the focused methods of touch with intent of massage brings a different level of communication and physiological responses not attained with spontaneous petting. Remember, our dogs learn and communicate through body language, senses and touch. Tapping into these senses bring us into their world instead of us humans always trying to bring our dogs into ours. You will also learn how massaging your dog at home integrates with professional massage.

Working Spot \$50 and Auditing Spot \$25
Includes breakfast and massage DVD
