

...Training from the dog's perspective!

Adolescent & Young Adult Games and Social Hour

Who: Dogs between 6 months and 5 years

When: Sept 5th, 2017 - 12:30 pm

Where: For Your K9

Why: Because it's FUN!!

The focus of this class is to solidify basic behaviors and manners (come, sit, stay, down, etc.) as well as teaching some new ones. We will be practicing by doing a variety of activities and games.

Dogs must be ok around other dogs.

You **MUST** bring a variety of high-value treats.

A list of treat ideas and other requirements will be sent prior to class.

You must be willing to step a little bit out of your comfort zone to risk having a great time with your dog! I promise it will be lots of fun and likely some laughter will occur along the way!
